

About CNI Movement Disorders Center

The CNI Movement Disorders Center integrates the services of neurologists, neurosurgeons, neuropsychologists, nurse practitioners, physical therapists and occupational therapists to provide comprehensive patient care. The Center is a program of the [Colorado Neurological Institute](#) (CNI), a nonprofit research institute that is located on the campus of [Swedish Medical Center](#) in Englewood, Colorado.

Acknowledgments

CNI would like to thank the following persons and organizations for support of this program...

**Colorado Dystonia Support Group
Parkinson Association of the Rockies
(PAR)**

Registration Fee

Admission for this program is free, but registration is required. Register by returning the enclosed form or by calling the CNI Education Office (720-870-3050) or email (debstef827@MSN.com) Please provide your name, address, phone, and which program you will be attending. A \$5.00 donation to support this educational endeavor at CNI would be appreciated.
